Building Brighter Futures

School-based Apprenticeship opportunities in Year 11 and/or 12

*subject to change

Do you enjoy getting your hands dirty, working on machinery and wondering how engines work? This course provides students with fun, practical hands-on learning and knowledge about a wide range of areas associated with the automotive industry. This taster course will include three (3) nationally accredited VET units of competency, which may go towards the Tasmanian Certificate of Education (TCE), if the student is deemed competent in each unit. Students may choose to enrol in the full qualification in AUR10120 Certificate I in Automotive Vocational Preparation in their Senior College years (subject to change).

• Identify environmental and sustainability requirements in an automotive service and repair workplace

• Apply automotive workplace safety fundamentals
